Dear Friends,

I know how important it is to develop an early love of reading, and how important it is to a child's future success. Unfortunately, Douglas County recently lost its entire library system due to lack of funding, leaving many Douglas County students without access to books. Because of this, I want to get Kindle e-readers into the hands of the students in our county so that they can have access to books and can develop a love of reading for themselves. My project to purchase Kindles for local students is called "Kindle a Love of Reading", and I'd love for you to be a part of it. I have also asked Kindle if it would be possible to get a matching grant of Kindles for the students in our community and/or if they would be willing to help provide low cost content for the Kindles. The Mercy Foundation's Learning Child Committee is administering the funds for the project.

Would you be willing to help Douglas County Students by donating funds to buy the Kindles? All donations to this project are tax deductible. Please make checks payable to Mercy Foundation and/or the Learning Child, and be sure to write "Kindle" on the memo line. Checks may be mailed to Mercy Foundation, 2700 Stewart Parkway, Roseburg, OR 97471. We will receipt/acknowledge all contributions made. Thank you for helping to build the future of our community.

Sincerely,

A handwritten signature in cursive script that reads "Marin Gray".

Marin Gray
